

HOW TO HOST A HIPSTERVENTION

1 BAIT

Lure the Hipster to the Hipstervervention location. The promise of a craft beer, cold drip coffee, or vinyl sale are effective temptations. Tell them no one's ever even been there it's that underground.

2 Shame

Shame is powerful motivator. Make them see how their mindless hipster addiction has affected their family and loved ones. Let personal stories of loss cleanse them like the bath they so desperately need.

3 SHAVE

Armed with the razor sharp precision of the BIC Flex 3, you can now truly heal the afflicted hipster by shaving off that festy beard. Some say it's the source of their powers, so let's be safe and shave that organism to the floor.
